OPEN SPACE COMMITTEE MEETING
8 May, 2008

Attending:	Michael DelRossi	
	Janet Ebert	Lois Saunders

The meeting began at 7:05 P.M.

The minutes for the April, 2007 meetings were approved.

A letter from Hugh Donaghue to PECO regarding vegetation management in Chadds Ford Township and a draft memo from Joseph Mastronardo enumerating proposed vegetation management activities were discussed. Concerns included spot use of herbicide, the criteria for selective tree removal, and results of any PNDI search (was one done?).

The rest of the meeting was spent discussing trails, mostly a trail between the Brandywine River Museum and the township building. Issues included routes, wetlands, problem areas, and linkages or spur trails to other destinations.

The meeting ended at 9:05

The next meeting will be on Thursday, June 12 at 7 p.m. at the Township Building.
